Summary

Computer Science & Engineering student (CGPA: 8.6) with strong foundations in **Data Structures & Algorithms** (200+ LeetCode problems) and hands-on experience building **scalable backend systems**. Skilled in **Node.js, RESTful API design, authentication**, and database modeling, with proven ability to work in structured Agile environments.

Skills

Programming & Querying: C/C++, JavaScript (ES6+), SQL
Frontend Development: HTML5, CSS3, JavaScript (Vanilla), React, Redux Toolkit
Backend Development: Node.js, Express.js, RESTful APIs, JWT Authentication
Database Management: MongoDB, Mongoose, MySQL (querying)
CS Fundamentals: Data Structures Algorithms (DSA), OOPs, DBMS, SDLC (Agile)
Tools and Platforms: Git, GitHub, VS Code, Postman, Codeforces

Experience & Projects

Smart Traffic Light Controller Oct 2025 – Present
Group Academic Project

- Owned the end-to-end development of the user interface for a real-time traffic management system, contributing to a system designed to reduce traffic congestion by an estimated 15%.
- Operated within a 3-person cross-functional team (Frontend, Backend, AI/ML), participating in daily stand-ups and sprint planning under an Agile framework.
- Engineered the integration of the YOLO API to render live vehicle-count data on a monitoring dashboard.

EdTech Platform Backend API Oct 2025 – Present
Personal Project

- Architected a scalable RESTful API using Node.js and Express.js with a multi-role user system (Admin/User).
- Implemented secure authentication using JWT authorization and Bcrypt password hashing.
- Developed course and lecture management modules using MongoDB and Mongoose, ensuring schema integrity.

Achievements & Certifications

- Smart India Hackathon (SIH): Built a project prototype for a full-stack civic reporting platform.
- LeetCode: Solved 200+ problems (100+ Medium, 12 Hard).
- HackerRank: Achieved a 4-Star rating in C++.

Extracurricular Activities

National Cadet Corps (NCC) Cadet 2024 – Present
Army Wing, 12 PB BN

- Participated in weekly drills and physical fitness sessions.
- Completed Annual Training Camp with exposure to field craft, map reading, and first aid.
- Maintained rigorous training alongside an 8.6 CGPA, demonstrating discipline and time management.

Education

B.E. in Computer Science & Engineering 2024 – 2028
Panjab University Swami Sarvanand Giri Regional Centre, Hoshiarpur
CGPA: 8.6 / 10 (Till 2nd Semester)

BSEB Class XII (PCM Stream) 2022 – 2024
Maharaja College, Ara, Bihar
Percentage: 86%
